

Traditions Golf Guidelines
Camelot - West Bend Lakes – Horicon Hills
March 19, 2020

We are taking action to provide you with the safest environment possible. Nothing is more important to us than the health and safety of our guests, employees and families. We understand that these policies are fluid and can change at any time. We will keep you posted with any changes.

1. We will go to 10 minute tee times instead of the alternating 7 and 8 minutes tee times until further notice
2. All Food and beverage will be available on a to go basis only.
3. All golfers may walk or share a cart only with members of the same household. Single rider carts are mandatory for all other riders.
4. All carts will be sanitized before the next use. This will include, but not limited to the steering wheel, handles, seats and keys.
5. Please do not remove or touch flag stick.
6. There will be no rakes in the bunkers
7. Drinking water and Porta pottys will not be on the course until further notice
8. Absolutely no more than 10 people in the building at any one time. Please be prepared to pay quickly and perhaps send 1 person in to pay for your group if it is busy in the pro shop. Please be advised that this number includes employees - guest numbers may be reduced because of this.
9. Please be aware of the required 6-foot social distancing both inside and on the course
10. We have protocols in place to disinfect all surfaces and customer contact areas. Employees are instructed to wash their hands every 15 minutes.

We appreciate your understanding and support during these uncertain times.
Please enjoy the fresh air and outdoors!

Your Friends and Family at Traditions Golf!
